

## **Directions & Parking**

**We recommend parking in ASDA** (Approx 50yds from our studio) where you are allowed to park free for up to two hours.

### ***On foot from Asda to the studio . . .***

From Facing Asda's main entrance keep Asda on your left side and follow the building around walking across the pedestrian precinct and over the steps and we can be seen directly across the road :- **look out for the big purple sign 'Mathew Imison Photography' – you can't miss it!**

### **Satellite navigation users to our front door type in BD18 3EQ 'Windsor mews / Windsor Court'**

Please be aware that although our actual postal address has a BD18 3QH postcode for address '19 Well Croft' this will not take you direct to our front door on most Satellite Navigation systems, as it will take you to the pedestrian's area which is also called Well Croft (as historically they used to be the same road before the shops were later built). Therefore if you do want to come direct to our front door by car (e.g. to drop off changes of clothes / large props etc /or elderly relatives who are coming to the session or viewing who can't walk the 50 yds from Asda, then we recommend you come from the A6038 (Otley Road) turning at the junction of 'The Sun Pub' / Barclays Bank, past the Shipley Market square on your left, turning left into MANOR LANE which then turns into WELL CROFT on the corner where we are located. After dropping off you can then continue to the top of the road turning left after the Shipley Swimming Baths and then left again to drop your car into the other top entrance to Asda car park.
